OBJECTIVE

I am eager to start a career in software development or any field in information technology field and will accept the possibility of the invitation to learn, grow and contribute. My goal is to work full-time after completing my graduation in December 2025.

PERSONAL STATEMENT

I am Mark Tamang, an IT student currently pursuing a Master's in Information Technology (Software Development). I previously provided IT support and completed a Graduate Diploma where I learned programming, databases, and project management. In my Master's, I've studied cloud applications and CI/CD, and I'm now working on an Advance Information Technology Specialized Project. I gained hands-on experience with ReactJS and ASP.NET during my internship at Brunton NZ and Source Infinity, along with creative skills from my design background. Eager to grow, I aim to contribute to forward-thinking teams in the IT industry.

TECHNICAL SKILLS

- **Software Development & Frameworks:** Experienced in web, mobile, and desktop application development using frameworks such as Django Rest Framework, Entity Framework, Bootstrap, and ReactJS/React Native.
 - **Programming Languages:** Proficient in ASP.Net C#, Python, Javascript, Kotlin, HTML, and CSS.
 - **Databases & Cloud Platforms:** Skilled in managing databases like MySQL, PostgreSQL, Convex, and deploying solutions on Azure, AWS, and Google Cloud Platform.
 - **DevOps & Version Control:** Hands-on experience with CI/CD pipelines using GitHub Actions, CircleCI, Vercel, and version control tools including GitHub and Postman.
 - **Design & Multimedia Tools:** Proficient with Adobe Creative Suite (Illustrator, Photoshop, InDesign, Lightroom, Premiere Pro, After Effects), Figma, Canva, and CapCut for graphic design, video editing, digital marketing, photography, and web design.
 - **Productivity Software:** Experienced with Microsoft Office 365 for documentation, presentations, and data management.
-

PERSONAL SKILLS

Leadership & Management

- Led book design and annual report projects, coordinating team members and meeting deadlines
- Organized events including weddings, alumni gatherings, and graduations
- Led church youth group and delivered talks; completed leadership training courses

Communication

- Engaged with publication industry professionals and schools for book publishing and delivery
- Built strong relationships through clear and professional communication
- Presented ideas and led discussions in team and community settings

Initiative & Self-Learning

- Self-taught photography, graphic design, video editing, troubleshooting, and WiFi installation
- Learned programming languages through online courses and practical projects
- Proactively sought internships to gain hands-on software development experience

Problem Solving & Technical Adaptability

- Applied troubleshooting skills to resolve technical issues independently
- Adapted to new technologies and tools quickly through continuous learning

Creativity & Design

- Skilled in sketching and digital art, complementing technical projects with creative input
-

WORK HISTORY

(Source Infinity)
Auckland, NZ
Sep 2024-April 2025

- Software Developer Intern
- Optimized and customized Shopify themes to enhance user experience, streamline scripts, and improve page load times while ensuring adherence to best practices.
 - Developing the Infinite Cloud Service app using ASP.NET, React.js, and SQL, integrating Google Drive API, Docker, and GitHub Workflows for seamless deployment and scalability.

(Brunton NZ)
Auckland, NZ
Feb 2024-April 2024

- Frontend Developer Intern
- Developed interactive UIs with React.js, integrating RESTful APIs and implementing a scheduler app to optimize task management and workflow efficiency.
 - Debugged and resolved frontend API issues, enhancing performance and user experience.
 - Reviewed code and contributed to refining best practices for API integration and data handling.

SkyCity
Auckland, NZ
May 2023-Present

Kitchen Steward

Part-time role while studying, demonstrating time management, teamwork, and adherence to workplace standards in a fast-paced NZ hospitality environment.

ECEC Innovation
in Education
Lalitpur, Nepal
Jan 2019-April 2023

- Graphic Designer
- Created logos and marketing materials (ads, flyers, banners, reports) using Adobe Creative Suite.
 - Developed cohesive visual designs combining illustration, layout, and typography. Helped build brand identity through effective visual communication.
 - Photographed ECEC events as the lead photographer for promotions and documentation.
 - Provided IT support including software setup, router configuration, and network troubleshooting.

QUALIFICATIONS

Auckland Institute of Studies
Auckland, NZ
Present

Master in Information Techonolgy
Major: Software Development

Auckland Institute of Studies
Auckland, NZ
2023-2024

Graduate Diploma in IT
Major: Software Development

Campion College
Lalitpur, Nepal
2017-2020

Bachelor of Arts in Social Work
Major: Social Work

COMMUNITY AND VOLUNTEER EXPERIENCE

Served as a social worker with Campion College, involving myself in outreach programs to the urban and rural areas in Nepal (2018-2019). These activities involved teaching in government schools, planting of trees, conducting poverty surveys, cleaning the environment and conducting a study about menstruation and childbirth prevention.

ACHIEVEMENTS

Gained practical experience in the area of web, desktop, and mobile applications development during the work in academic and internship projects; deployed solutions on Vercel, AWS and Azure; received the SkyCity Compass Certificate; and created more than 20 children storybooks.

INTERESTS

I am passionate about coding and continuously enhance my skills through online courses on Udemy. In my free time, I enjoy sketching, digital painting, photography, and playing billiards, football, and table tennis. I also maintain an active lifestyle by going to the gym.
