OBJECTIVE

I am pursuing an internship as a Software Developer at Source Infinity while working part-time as a Kitchen Steward at SkyCity. I am seeking a part-time Software Developer role that aligns with my academic schedule. Upon graduating in December 2025, I will be available to transition into full-time employment.

PERSONAL STATEMENT

I am Deepak Kumar Tamang, also known as Mark, a dedicated IT professional pursuing a Master’s in Information Technology with a specialization in Software Development. I have hands-on experience with ReactJS from my Frontend Developer internship at Brunton NZ and over four years of design expertise at ECEC Innovation in Education, where I combined technical and creative skills. Passionate about emerging technologies, I am eager to contribute to innovative teams and apply my skills to drive impactful solutions in the IT industry.

Work History

(Source Infinity)

Auckland, NZ
Sep 2024-Present

Software Developer

- Developing and customizing Shopify themes to align with client requirements and enhance user experience.
- Collaborating with the team to implement client-specific e-commerce solutions and meet project goals.
- Contributing to code reviewing and ensuring adherence to best practices in Shopify development.
- Optimized store performance by streamlining Shopify scripts and improving page load times.

(Brunton NZ)

Auckland, NZ
Feb 2024-April 2024

Frontend Developer Internship

- Built interactive user interfaces with ReactJS, integrating APIs for enhanced functionality.
- Worked with the team to implement designs and ensure seamless API connections.
- Connected frontend components to backend services using RESTful APIs for better performance.
- Debugged and resolved frontend API issues to improve functionality and user experience.
- Reviewed code and refined coding standards with a focus on API integration best practices.
- Contributed insights in team meetings to address challenges in API integration and data handling.

SkyCity

Auckland, NZ
May 2023-Present

Kitchen Steward

As a Kitchen Steward at SkyCity, I excel in maintaining cleanliness, assisting team members, organizing storage, handling stock, and managing waste.

ECEC

Innovation in Education

Lalitpur, Nepal

Jan 2019-April 2023

Graphic Designer

- Collaborate with the team to discuss project ideas and goals, translating them into visually appealing designs using illustrations, artwork, design elements, and fonts.
- Create original and impactful images for the organization, employing various graphic design software tools.
- Design company logos to enhance the branding of different organizations.
- Develop diverse visual materials, including advertisements, annual reports, flyers, banners, and books for the organization.
- Arrange photographs, illustrations, and other design elements to create cohesive visual narratives.
- Provide IT support, troubleshooting, and software installation.
- Address technical issues and offer assistance in IT-related tasks.
- Perform networking responsibilities, including installing routers and resolving internet fluctuations.

Power GYM & Fitness Center

Lalitpur, Nepal

Nov 2020-March 2023

GYM Instructor

My responsibilities as a GYM Instructor were interacting with new customer, making good relationships and giving proper training.

Saarathi Nepal

Kathmandu, Nepal

April 2018-June 2018
