OBJECTIVE

I am currently seeking a part-time role in software development or a related field, aiming for full-time after graduating in December 2025.

PERSONAL STATEMENT

I am Mark Tamang, a dedicated IT professional pursuing a Master's in Information Technology with a specialization in Software Development. I have hands-on experience with ReactJS from my Frontend Developer internship at Brunton NZ and over four years of design expertise at ECEC Innovation in Education, where I combined technical and creative skills. Passionate about emerging technologies, I am eager to contribute to innovative teams and apply my skills to drive impactful solutions in the IT industry.

WORK HISTORY

(Source Infinity)

Auckland, NZ
Sep 2024-April 2025

Software Developer Intern
- Optimized and customized Shopify themes to enhance user experience, streamline scripts, and improve page load times while ensuring adherence to best practices.
- Developing the Infinite Cloud Service app using ASP.NET, React.js, and SQL, integrating Google Drive API, Docker, and GitHub Workflows for seamless deployment and scalability.

(Brunton NZ)

Auckland, NZ
Feb 2024-April 2024

Frontend Developer Intern
- Developed interactive UIs with React.js, integrating RESTful APIs and implementing a scheduler app to optimize task management and workflow efficiency.
- Debugged and resolved frontend API issues, enhancing performance and user experience.
- Reviewed code and contributed to refining best practices for API integration and data handling.

SkyCity

Auckland, NZ
May 2023-Present

Kitchen Steward

Part-time role while studying, demonstrating time management, teamwork, and adherence to workplace standards in a fast-paced NZ hospitality environment.

ECEC Innovation in Education

Lalitpur, Nepal
Jan 2019-April 2023

Graphic Designer
- Collaborated with teams to translate project ideas into visually appealing designs using illustrations, artwork, and typography.
- Created impactful images and designs using graphic design software, enhancing organizational branding.
- Designed company logos and a variety of visual materials, such as advertisements, reports, flyers, and banners.
- Arranged photographs, illustrations, and design elements to create cohesive visual narratives.
- Provided IT support, troubleshooting, software installation, and networking tasks, including router setup and resolving internet issues.
